WORK TRUCK FUNDRAISER

Shuswap Association for Community Living (SACL) is a not-for-profit organization that has been providing services and support for people with intellectual disabilities and their families since 1963.

WHAT WE DO

SHARED LIVING

We provide Home Share (Shared Living) where persons receiving support, and the Home Share provider or family, live as equal participants in the home, sharing a close relationship that supports inclusion, Growth and opportunities.

COMMUNITY INCLUSION

We provide Community Inclusion support services for daily living to individuals/groups to promote rich, healthy lives and community inclusions through skill development, opportunities to socialize and individual supports. We have a Community Connector Network to assist individuals to develop social support networks in their community. We have Community Outreach programs. We have day programs such as One-to-One Community Supports (Personal Enrichment Program) and Health, Wellness & Life Skills (HWLS) group program where individuals explore personal interests, develop and work towards goals, community inclusion, healthy living, cultural awareness & diversity, build life skills and take part in activities on site and in the community.

SUPPORTED LIVING

We provide Supported Living where persons living independently in the community are provided with supports that are directed towards meeting the specific needs of each individual to live independently, such as budgeting, shopping, & meal planning. Supports are directed towards healthy lifestyle choices and enhancing life skills to encourage independence and the fostering of meaningful community relationships.

EMPLOYMENT SUPPORT

We provide Employment Supports for individuals who are seeking work or volunteer work and developing relationships between employers and people with diverse abilities. In this area the focus is on Job Development Services & Employment Support Services; individuals who live on their own; individuals in varying supportive living accommodations and for individuals to live with families through Home Shares.

OUR EMPLOYMENT SUPPORT GOAL

SACL knows it is important for the people we support to have a purpose. Employment is an important part of creating lives with connection in communities and a sense of belonging. Currently, we serve a number of business mostly in the Salmon Arm area picking up recycling with a work van. We have outgrown our work van and require a work truck to keep up with demand. We are looking to expand our current service and hoping to offer other services such as yard maintenance, snow removal, garbage pick-up/dump runs and further recycling pickups for businesses, residential and seniors groups. Currently, we are servicing 23 businesses and are growing. The business and individuals we partner with take pride in donating their recycling (bottles & cans) to SACL. We are seeking community support to help us with funding towards the purchase of a work truck to take persons served out into the community to support customized employment opportunities.
